Unfinished Business

- Ordinance Review
 - Home Occupation - The board decided to leave home occupation as is in the ordinance. They did not feel it was necessary to make any changes.
 - Wireless Section - The board discussed adding in +50 feet to the wireless section to have it match the height requirement section. The board is going to look at other township/city ordinances in the area.
 - Article II, Section 202 - The board will do some additional research and discuss this further at a future meeting.
 - Non-Permanent Structure - The board discussed if a permit was needed for a non-permanent structure. It was decided to leave the ordinance as is and not make any changes.
 - Special Use Permit vs Conditional Use - The board discussed the two terms. We will continue to use both terms in our ordinance, but make sure the definition of Special Use Permit states that a public hearing is needed.

New Business

- Ten Acre Woods, Special Use Permit - This permit has been appealed, and the appeal did request a stay, so the business has been shut down until the ZBA can meet to hold the public hearing to address the appeal request.
- Application Forms - Tabled until next meeting.
