Help make the world a better place while you get paid to recycle your older, inefficient appliances. Inefficient appliances draw more power than they need to do their job. Recycling an older appliance and purchasing a new Energy Star certified model is guaranteed to lower your energy usage. Let UPPCO responsibly recycle your appliance and receive a rebate in the form of a bill credit when you do!

2025 Appliance Recycling Schedule & General Information

All appliances recycled by UPPCO must be residential units and all credits must be applied to residential accounts. No commercial type units will be accepted or rebated. Rebates cannot be applied to commercial or industrial accounts.

- Each customer is limited to (2) of each type of item per account per year. I.E. 2 Fridges, 2 Freezers, 2 Window AC , 2 Dehumidifiers, 2 Mini fridges for a total of \$260.00 per year.
- Appliance must be in working condition. Parts may be removed for moving/transporting purposes but **MUST** be in working condition.

Location	Date & Time

[Join Waitlist for Pick Up in My Area](#)

By scheduling a time for hassle-free pickup of your unneeded appliances, you're taking an important step in saving energy and money. *Please note you do not receive a rebate if you are having your appliance picked up.

- Pickups must have at least one large item (Fridge or Freezer) to be scheduled. No pick ups for small items alone. (AC, Dehumidifiers, Mini Fridges).
- Appliance **MUST** be outside of your home at the time of pickup.
- Final pick-up date is **September 30, 2025**.

Drop-off at Ed's Used Auto Parts & Salvage Inc.

Please bring a copy of your account number with you when dropping off appliances. LIMIT OF 2 OF EACH TYPE OF ITEM PER ACCOUNT.
